Plein Air Painting Workshop

May 18th, 2024

\$40

Come paint en plein air (outside) at the Hermitage!

Local painter and teacher, Eric Alexander Santoli will be giving a demonstration and then will provide individual instruction for participants in this workshop.

During the summer of 2023, Eric was Artist-in-Residence at Claude Monet's estate in Giverny, France. As a teacher, he guides students through the painting process with knowledge and experience.

Beginners and advanced students are all welcome. Bring watercolors, oils, and/or drawing media. Come experience the joy and fun of painting directly from nature at The-Hermitage's beautiful and historical grounds!

Space is limited!
